“Help, My Marriage is Drowning!”

by Tracey

When I walked down the aisle to become Rufino's bride we were full of hopes and promises. Now our marriage was sinking like a boat with holes in it. This was hard for me because I thought our marriage would be different.

We had four children. Our boat was being weighed down by work, bills, health issues, and financial difficulties. I put my husband last on my priority list and our marriage began to suffer.

It seemed everything was an argument. Our boats were no longer on the same course. I wanted our marriage to get back on course. But I had doubts about attending the Retrouvaille program. I kept replaying in my mind all the reasons I should not go.

Finally, we did attend the Retrouvaille weekend and Post Sessions. It changed our lives. Our children were the first to notice a difference in us. Then other family members started to see the love that was there the day I became his bride. There is no magic wand to fix anything in life including marriages. But, this program gave us the life preserver our marriage needed.

Thank you for teaching us the tools we needed to keep our family together.

If you are serious about making your marriage work, this program will be worthwhile for you.

WHAT IS A RETROUVAILLE PROGRAM?

The Retrouvaille Program consists of a weekend experience combined with post-weekend sessions. The program provides the tools to help put your marriage in order again. The main emphasis is on communication between husband and wife. The program offers you the opportunity to rediscover each other and examine your lives together in a new and positive way.

THE PROGRAM IS NOT ...

It is not a retreat or a sensitivity group. There are no group dynamics or group discussions on the weekend. This is not a time for hurting; it is a time for healing.

WHO WILL BENEFIT?

Couples with troubled marriages, including separated or divorced couples, open to working on their marriages will benefit.

IS THE PROGRAM FAITH BASED?

The program is Catholic in origin. Couples of all faiths and those of no particular faith tradition are welcome. CMD weekends may also be available in some areas.

WHAT HAPPENS IN A RETROUVAILLE PROGRAM?

During the weekend phase, a series of presentations are given by a team of three couples and a priest or three couples and a minister and spouse for CMD weekends.

CMD = Christian Multi-Denominational

The team presents a technique of communication that enables you to take a fresh look at most areas of your relationship. After each presentation, you have time in the privacy of your room to reflect on the previous topic.

The post-weekend phase is as crucial to healing as the initial weekend experience. During the post sessions, the techniques introduced during the weekend are further developed and combined with additional tools to explore other areas of the marriage relationship.

WHEN?

The weekend phase begins Friday evening and closes with Mass or CMD devotional service early Sunday evening.

WHAT DOES THE PROGRAM COST?

No couple is ever denied the chance to heal and renew their marriage due to a lack of funds. Each couple is asked to make an anonymous donation to help cover the cost of the entire program.

COUPLE RESPONSES

"The program has given us a second chance which I wouldn't have believed possible."

"I felt hopeful. For us, it was a new beginning after much darkness and pain."

"Our love was buried under bitterness and anger. The program dug it out."

"We had no communication. It opened all lines and reconciled our marriage."
