What You Can Expect

#1. What happens

This is **not** counseling & **not** group therapy. Three couples share their real life examples of how they messed up their own marriages. They share concepts, values, and communication tools they learned that helped them. They are trained volunteers who gained so much from this that they want to Pay It Forward. They teach you to use the same concepts, values, and tools that saved their marriages.

#2. Anonymous.

The program is anonymous. No one will know you attended unless you tell them.

We can all learn from others. That's why we send our children to school. We don't need to repeat the mistakes of the past. We can learn from others' mistakes **and their successes**.

Something may not be going well in your marriage. **You are not alone ... all marriages have issues**. Unresolved issues don't disappear. They fester, and lead to great pain. These tools are designed to help recover from existing wounds and prevent new wounds from developing. The goal is to build a healthier relationship and a healthier family.

#3. Christian Values

Many of the concepts taught are based on Christian values. These concepts are also found in most non-Christian religions. No attempt is made to convert anyone to any brand of religion. This program is not about religion. It is about helping marriages and families.

_____ O _____

No couple is denied the chance to heal their marriage due to lack of funds. Each couple is asked to make an anonymous donation to help fund the program.
